

# For Patients

## COVID=19

Fremont Therapy Group is committed to your health in every sense of the word. While COVID-19 continuing develop on the things we can control to further protect our patients, our staff, and our community. Your physical mobility and

While we always maintain the highest level of infection control and universal precautions in our clinics, these extraor manner that is consistent with the Center for Disease Control & Prevention (CDC) guidelines. Because we already op square feet of treatment area, we are able to continue providing individualized, one-on-one care to each of our patients

We are committed to providing:

- The highest assurance that all surfaces are cleaned before and after contact with each patient and staff member
- Isolated care in one of our private treatment rooms
- Social distance of 6 feet or more
- Expanded clinic hours to minimize the number of patients arriving and being treated in our clinic at the same
- Ongoing communication and updated protocols will be provided as we receive further direction from the CDC

It is our goal to continue providing the same level of care our community expects and deserves. Please contact any of

If you feel unwell, please follow the CDC guidelines:
